To: **All Participants**

Registration Procedure:

1. Delegates/Participants should fill up the registration form and submit the form with payment to your Household Heads/Chapter Heads who then will submit to the **Vancouver Area Conference Coordinators (Celso/Mary Joan Galvez)**. A down-payment of \$100.00 per couple/family is required with the registration form. The balance of fees payable may then be settled with post-dated check(s) or cash to be paid on or before July 09, 2010.
2. The **Vancouver Area Conference Coordinators** will ensure that the registration forms are properly and completely filled in. We would also make sure that payments received are correct according to the following conference fee structure:

CFC Conference Fee	\$210.00 per couple
KFC Kid's Village (6-12 years old)	\$75.00 for first child
	\$70.00 @ for the second and other children
Kid's Watch (below 6 years old)	\$45.00 per child

3. If participating parents register their children with the **KFC Canada 11th Western Kids Village or the Kids Watch Program**, the Area Conference Coordinators will also make sure that the **Waiver Consent Form** (Page 3 of Registration form) is duly signed by the parents.
4. **All participants** are reminded that the registration fee does **not** include hotel accommodations. Please advise members to make their own room reservation by phoning our host hotel indicated in our Registration form under Page 2.
5. Please mention **“Couples for Christ”** when making room reservations in order to avail of the Special Stampede rate per night. Rooms usually have 2 beds; 2 couples may share. But I suggest that you phone the hotel before you make your reservation to avoid any inconveniences. However, when making a reservation, only one person should call and present his/her credit card information.

6. Reservations are on a first-come-first-served basis. The number of rooms blocked by the hotel for the conference is limited so please encourage your participating members to book early.
7. Hostings are also available after we complied with the required 50 rooms booking for 2 nights in order to avail of our discounted hall rates.

For more details and other information, please feel free to contact us and we will get back to you once we have an answer to your query.
